

ICI meeting 2016

Innovations in Cardiovascular Interventions | 4-6 December, 2016 | Tel-Aviv, Israel

ICI 2016 Innovation Award **High-Impact Competition for Med-Tech Startups!**

What's it all about?

Now's the time to apply for the ICI 2016 Innovation Award. Open to cutting-edge medical technology startups from across the globe, the ICI 2016 Innovation Award competition will take place at the ICI Meeting 2016 on December 4-6, in Tel Aviv. Now in its 6th year, the prestigious ICI Innovation Award can help your med-tech startup gain invaluable exposure and reach the next level.

What's in it for me?

As a finalist in the ICI 2016 Innovation Award competition, you will pitch your startup at the **ICI Meeting 2016** in Israel and receive a full array of valuable benefits:

- Gain exposure to international investment community and key industry players
- Obtain invaluable guidance and endorsement from world-class panel and peers
- Attend the value-added ICI Meeting 2016 as a featured guest
- Leverage prestige from being a finalist of a highly regarded international award

As the winner of the ICI 2016 Innovation Award competition, you will also:

- Make a presentation at the closing plenary session of the ICI Meeting 2016
- Present your startup at the EuroPCR conference in Paris in May 2017

Submit your Candidacy Today!
